FYI: Update on recent PFIAB support:

- To follow-up on Jim Glerum's briefing of Admiral Moorer's task force, we provided PFIAB copies of CIA recruitment ads.

- Claire Boothe Luce was provided a summary of recent legislation affecting the Agency and a copy of CIA's FOIA legislative proposal.

- [ ] will follow-up his briefing for the whole PFIAB on technology transfer with more detailed briefings for Dr. Foster's task force on 8 and 9 April. The following are being asked to sit in as consultants: William Perry, former head of Defense Research and Engineering; Robert Herman, former D/SAFSS; Harold Lewis, C/Physics Department, University of California; J. Fred Bucy, C/Texas Instruments; and Solomon J. Buchsbaum, Executive Vice President, Bell Labs.
